Shooters, Fishers and Farmers Party WA

SFF has since 1992 been the voice of outdoor enthusiasts, hunters, shooters, fishers, rural and regional Australia and independent thinking Australians everywhere. Advocating for pragmatic solutions to issues regardless of political correctness. We are a voice of reason, science and conservation.

SFF is conservative in family values, we honour and value the family unit as the basic building block of our society. We believe in a fair go for all, but not at the expense of others.

SFF respects and honours our democratic traditions and those in our history that have made the ultimate sacrifice so that we may enjoy the freedoms that we now have.

SFF acknowledges the vital role rural and regional Australia plays at both a State and National level. Our action plan for regional WA will return rights to property owners, protect local jobs and industries and support regional communities.
