SEND RYAN ROBERTSON

I'm Ryan ROBERTSON

LIBERAL FOR **SECRET HARBOUR**

I'm a husband, dad, small business owner, local councillor and 12-year Navy veteran. **My entire life has been about service.**

Over the last few weeks **I've knocked on thousands of doors** across Secret Harbour, and **three issues come up again and again.**

Housing - locals are struggling to find or afford a home in the community.

Health - families are struggling to get timely access to local health services.

Transport - commuters are stuck without a Karnup train station.

That's why we will commit **\$90m to finally build the Karnup Train Station.**

You've also told me about your frustrations with fortnightly red bin collection.

As a local councillor I voted to bring back weekly collection and that's exactly what I'll **keep fighting for as your local member**, so you don't have to put up with odours, pests and overflowing bins.

Local families and businesses deserve a representative who delivers results, not excuses.
