Hi, I'm Rhi Davies.

I'm an active community organiser, defence spouse of many years, and a local mum of three teenagers. I am running for Secret Harbour because our community deserves better than what Labor, the Liberals and One Nation have to offer.

The cost-of-living and housing crises are putting local families into enormous stress. The average renter in Secret Harbour is spending over 30% of their income on rent, and house prices here have doubled in the past year while the average home costs a massive eight times the average household income.

Yet as WA Labor fails to address the housing crisis, they continue pouring money into AUKUS, while the Liberals and One Nation try to distract us with culture wars.

Only The Greens are ready to fight for the people of Secret Harbour. Let's work together and vote for a future we can believe in.

IF YOU WANT CHANGE, VOTE FOR IT

Tax the gas companies to fund quality health, education and disability services

Make housing more affordable by capping rents and building more public housing

Stop AUKUS to prevent Australia being dragged into America's next illegal war

Take real action on climate change and protect the natural environment

Cheaper public transport and building Karnup train station
