"This electorate has grown faster than the schools, roads, hospital and services meant to support it. I'm not running for a party — I'm running because I live this every day, the same as you do."

EDUCATION

- Smaller class sizes and enough classrooms for real growth.
- Up-to-date curriculum and a pathway to bring qualified teachers back.
- Real support for behavioural complexity and genuine inclusion.

TRANSPORT

- Finish the Kwinana Freeway bottleneck fix.
- Build Karnup Station with proper parking; fix the Warnbro car park shortage.
- Restore streetlights knocked out by copper theft.

HEALTH

- An MRI machine and more specialist parking at Rockingham General.
- Preventative maintenance funding after the ICU ceiling collapse.
- An urgent care centre within Secret Harbour, to ease ED pressure.

COMMUNITY SAFETY

- Fast-track the Mental Health Centre and drug/alcohol treatment.
- Well-lit streets and stations; a properly resourced police presence.

COST OF LIVING — FAIRER COUNCIL RATES

- Rates are based on Gross Rental Value, a poor proxy for owner-occupier income. I'll push for state legislative change.

STOP THE NAMBEELUP STINK

- I've started a petition and I'm pressing DWER and the Environment Minister directly — a door I can actually knock on as your state MP.

WHY ME I live in this electorate, in Port Kennedy, and have for 29 years. I drove the Kwinana Freeway for years before changing careers into teaching high school maths, business and accounting. My parents, son, daughter-in-law and granddaughter all live locally too. These aren't talking points — they're my everyday life.
